

PROJECT DEVELOPMENT PHASE

SPRINT-3

Date	09 November 2022
Team ID	PNT2022TMID25946
Project Name	ESTIMATION OF CROP YIELD PREDICTION USING DATA ANALYTICS

Creating The Dashboard :

Here, we create the dashboard to display the visualizations which gives us the insights of Crop production in India.

Following is the interactive dashboard created with various visualizations using the Cognos platform,
